RIBBN

4.8A Car Charger with Flat Ribbon Cable

FEATURES

TYLT continues to innovate with the all-new RIBBN Car Charger. The revamped car charger features an improved tangle-free, flat ribbon cable that is easy to manage and soft to the touch. Measuring at 3 feet (1 meter), the RIBBN ensures your phone can easily rest in your cup holder or other convenient location while charging.

Available with either an Apple Lightning or Micro USB connector, the RIBBN also features an additional universal USB port for charging a second device. Its enhanced 4.8 Amp circuit allows for rapid charging of two smartphones or even two tablets simultaneously. Choose your color and begin your hassle-free charging today.

Tangle-free flat ribbon cable design

3 foot (1 meter) cable

Additional USB port for charging a second device

4.8 Amp circuit charges two devices simultaneously.
